Great Job!

Make a difference in someone's life this holiday season!

We will be giving away some gift certificates just in time for Christmas.

- What you need to do is make a Christmas ornament out of art products.
- Bring your ornament into the subscription building of the Daily Press.
- Each person bringing in an ornament will have their name entered into a random drawing.

We will be giving away twenty \$25 gift certificates to the Mall of Victor Valley.

The ornaments will be given to three, local retirement homes to be enjoyed during the holiday season.
