TableTalk:

A Great Topic To Talk About In School And At Home!

Today's topic:

TECHNOLOGY

THINK ABOUT IT:

Brainstorm the top five technological advances in your life. Check the newspaper for ideas.

WRITE ABOUT IT:

Write an endorsement for the one technologically advanced product you think is most important.

TALK ABOUT IT:

Ask your parents to name the one technologically advanced item they would least want to give up. Write their answer and reasons on another sheet of paper.
